AFFIDAVIT IN SUPPORT OF APPLICATION FOR SEARCH WARRANT

I, Dustin Hooker, being duly sworn, hereby depose and state as follows:

INTRODUCTION

1. I am a Detective with the City of Phoenix Police Department and a Task Force Officer with the Federal Bureau of Investigation's ("FBI") Bank Robbery/Violent Crimes Task Force (the "Task Force"). I have been an officer with the City of Phoenix for approximately 23 years, a Detective for five years, and assigned to the Task Force since February 2019. Prior to being assigned to the Task Force, I was assigned to the Violent Crimes Bureau/Robbery Unit with the Phoenix Police Department.
2. Your affiant makes this affidavit in support of an Application for a Search Warrant under Rule 41 of the Rules of Criminal Procedure. Based on my training and experience and the facts as set forth in this affidavit, there is probable cause to believe that RICHARD ZUMBRO and others known and unknown, are involved in criminal activity in violation of Title 18 U.S.C § 2113 (Bank Robbery). There is probable cause that a hotel room, specifically Room 119 (**Subject Premises**) at the Studio 6 hotel located at 4950 S. Outlet Center Drive, Tucson, Arizona 85706, may contain instrumentalities, fruits, and evidence of this criminal activity. Accordingly, this application requests authority to search the hotel room as described in Attachment A for evidence of these crimes as further described in Attachment B.

3. The facts in this affidavit come from my personal observations, my training and experience, and information obtained from other agents, officers, investigators and/or witnesses. This affidavit is intended to show merely that there is sufficient probable cause for the requested Warrant and does not set forth all of my knowledge about this matter.

PROBABLE CAUSE

4. In December of 2020, the FBI became aware of, and involved in investigating, an unidentified white male (later identified as Richard ZUMBRO) who was committing bank robberies. Investigators believe the same individual has engaged in at least 23 bank robberies occurring at various federally insured banks between December 30, 2020 and October 25, 2021. In each robbery, the suspect presents a demand note to the victim teller demanding money. In most of the robberies the note states with slight variation, “This is a robbery don’t make it a murder, get the money quickly or I’ll shoot you.”
5. On October 21, 2021 ZUMBRO was located at the Super 6 hotel in Tucson, Arizona. Both visual surveillance and vehicle tracking information has confirmed his presence at the hotel until today’s date, October 25, 2021. On today’s date, ZUMBRO was observed leaving the hotel and traveling to Mesa, Arizona. At approximately 10:18 a.m., ZUMBRO was observed by investigators committing a bank robbery at the US Bank, 1855 N Power Road, Mesa, AZ 85207. ZUMBRO was arrested shortly after the robbery.

6. Studio 6 hotel staff has confirmed that room 119 (**Subject Premises**) is currently registered to Richard ZUMBRO.

64. During all the listed bank robberies, the suspect entered the bank wearing a baseball hat, pants, facemask, and a long sleeve shirt. In all the robberies the suspect presented a demand note to the teller stating he wanted money. Along with having the same Modus Operandi and suspect description in all the bank robberies, the surveillance photos from the bank surveillance videos shows that the suspect is the same person in each incident.

65. During this robbery series, the suspect has obtained approximately \$62,108.00 in U.S. currency.

66. Investigators have observed a pattern consistent with each robbery, where the suspect parks a grey Volkswagen Jetta or grey Ford Escape in the surrounding parking lot to access the bank where the criminal activity occurs. After committing the bank robbery, the suspect flees through the surrounding parking area to the Volkswagen Jetta or Ford Escape. In robberies beginning on or about July 29, 2021, video surveillance captured the suspect driving a grey Ford Escape. Investigators conducted research and determined the Ford Escape was likely a 2012 model, based on body features of the vehicle observed in the video surveillance.

INVESTIGATION

67. On October 21, 2021, while researching grey 2012 Ford Escape vehicles registered in Arizona, investigators located a vehicle with Arizona license plate FAA8ZD that appeared to be the same or similar Ford Escape. The registered owner of this particular Ford Escape was listed as Richard James ZUMBRO, Date of birth XX/XX/1977. Investigators reviewed ZUMBRO's Arizona driver's license photo and information. The physical description of ZUMBRO is similar and consistent with that of the suspect in the above referenced bank robberies.

68. Further research into the vehicle registration showed the listed 2012 Ford Escape was registered to ZUMBRO on or about July 15, 2021 and titled in Arizona on or about August 4, 2021. Investigators noted that the registration date was

approximately two weeks prior to the July 29, 2021 robbery in which the suspect was first observed using a Ford Escape.

69. Investigators learned Richard ZUMBRO has a residential history in North Carolina. Database checks revealed that ZUMBRO was the registered owner of a 2004 Volkswagen Jetta, which was assigned North Carolina license plate HHV7347.

CONCLUSION

74. Based on my training and experience consultation with other experienced investigators, your affiant is aware that individuals involved in criminal activity, to include robberies, often maintain at their residences, in their hotel rooms, in their vehicles, and on their property, tools and other implements they used during or in furtherance of the commission of the crime. Individuals involved in robberies may also maintain notes or other documents containing the names and contacts of their associates. Sometimes robbers take pictures of themselves, or their fellow conspirators, as well as money obtained during the course of the robberies. I also know that sometimes robbers retain items used to facilitate the robberies as well as items taken during the robberies. Sometimes, in addition to money, robbers also take receipts or other documents and items bearing the name of the commercial business. I also know that individuals tend to retain their clothing, including the items worn in the robberies, for extended periods of time. Robbers often store proceeds, instrumentalities, fruits, and evidence of their crimes in their homes, hotel rooms, and/or vehicles.
75. Based on the above listed facts, your affiant respectfully submits that there is probable cause to believe that ZUMBRO utilized the Subject Premises and

probable cause to believe that evidence relating to the criminal activity may be found in Room 119 at the Studio 6 hotel located at 4950 S. Outlet Center Drive, Tucson, Arizona 85706.

I declare under penalty of perjury under the laws of the United States of America that the forgoing is true and correct.
